

Edithvale Aspendale Sporting Club
Regents Park, Fourth Avenue, Aspendale | PO Box 7004, Aspendale VIC 3195

Ben Manning

SESH Community Engagement Lead

E: bmanning@solucio.com.au

The Edithvale Aspendale Sporting Club is the largest sports club in the Bayside area with 3000+ members and 1500 people regularly involved in local sport, both playing and support roles.

The Club actively participates in the following sports:

- Australian Rules Football – male & female, senior, junior
- Netball – senior & junior
- Cricket
- Tennis
- Darts

There is a severe undersupply of sporting facilities available within the Bayside area. This shortage constrains the operations of the Club and all others seeking to engage in community sport.

The proposed South East Sports Hub (SESH) in Bangholme would deliver a huge boost to sport and the community in the area. The potential size of the SESH is similar to Casey Fields. The cost of the land and the initial stage of the SESH can be delivered with no impost on public funds.

Edithvale Aspendale Sports Club wholeheartedly supports the SESH and its earliest possible completion.

Yours Sincerely,

Peter O'Connor

President
